

Dear

The SEMA Businesswomen's Network Women's Leadership Forum is the only in-person event dedicated to women in the aftermarket industry. For education, networking, and professional development, this event simply has no equal. I believe my participation is critical to bringing new ideas and approaches to our organization and further my professional development. I would like to request approval to attend.

The event is **March 5-7, 2024 in Austin, Texas**. I'll be amongst many industry professionals to hear experts and innovators talk about employment law and legislation, strategic management, leadership development, global HR, and more. I'll gain practical skills pertaining to compensation and benefits, talent management, and inclusion and diversity practices. The Forum offers the opportunity to network with businesses that could have a positive impact on our organization. By meeting with industry partners, I can find solutions to everyday issues as well as strengthen existing relationships.

I plan to attend the following sessions to strengthen my professional development:
